MATERIAL SAFETY DATA SHEET

DO NOT USE THIS PRODUCT UNTIL YOU HAVE READ THIS INFORMATION

MSDS Prepared By:
Nicolon Corporation
365 South Holland Drive
Pendergrass, GA 30567

Chemtrec Emergency:

24-hour Phone:	(800) 424-9300
Nicolon Corp. Phone:	(706) 693-2226
Date Prepared:	May 31, 2005
Revised:	March 9, 2010

Section 1: General Information

Trade Names and Synonyms: Nicolon® 25319 Truck Cover

Chemical Names and Family: Woven Polypropylene and PVC coated polyester
Product Use: Truck Cover
HMIS Ratings: Health 1, Fire 1, Reactivity 0, PPE B (see section 6)

Section 2: Hazardous Ingredients/Identity Information

Ingredient (Chemical Name, CAS#, and Common Name)	OSHA PEL or TWA	ACGIH TLV	Weight %
Polypropylene resin (9003-07-0)	n/a	n/a	54%
Carbon Black (1333-86-4)	3.5 mg/cm TWA	3.5 mg/cm TWA	< 2 %
Polyester filament yarn (CAS# 25038-59-9)	Not applicable	Not applicable	12 – 15
Polyvinyl Chloride coating (proprietary)	Not determined	---	29 – 32

OSHA HAZARDOUS COMPONENTS (29 CFR 1910.1200).

Section 3: Hazards Identification/Potential Effects

Emergency Overview: Multifilament yarn coated with vinyl of various colors. Coated yarn is woven into various fabrics and has an odor of new vinyl.

Routes of Exposure:

Inhalation:	Short-term harmful health effects are not expected from vapor generated during normal use with adequate ventilation at ambient temperature.
Skin contact:	Fibers in core yarn may irritate skin.
Ingestion:	Consult physician.
Eye Contact:	No evidence of harmful effects anticipated from available information.
Chronic:	None currently known.

Section 4: First Aid Procedures

Eye Contact: Flush with plenty of water for 15 minutes. If irritation develops, get medical attention.
Skin Contact: Frequent rinsing of skin surfaces with water to remove accumulated fibers will minimize irritation. If pain, allergy, or reaction persists, get medical attention.
Ingestion: No emergency care anticipated. Get medical aid if necessary.
Inhalation: Remove to fresh air for relief. If breathing difficulties develop or persist, get medical attention.
Chronic: None currently known. Get medical aid if necessary.

Section 5: Fire and Explosion Hazard Data

Flash Point (Method Used): Greater than 200ºF
Flammable Limits: **LEL**: Not available **UEL**: Not available
Auto ignition Temperature: Not available
Extinguishing Media: _x_ Water Fog _x_ Carbon Dioxide
_x_ Regular Foam _x_ Dry Chemical ___ Other
Special Fire Fighting Procedures: Firefighters and others who may be exposed to products of combustion should wear full protective clothing and self contained breathing apparatus.

Unusual Fire and Explosion Hazards: When forced to burn, protect from decomposition and combustion products that may include Carbon Monoxide and other toxic gases.

General Hazard: None known. Material will not burn in the absence of an independent flame source.

Hazardous Combustion Products: Smoke and fumes.

Section 6: Accidental Release Measures

This product requires no special spill handling procedures.

Section 7: Handling and Storage

Storage Temperature: Ambient
Storage Pressure: Atmospheric
General: Keep material clean, dry, and away from heat.

Section 8: Exposure Controls/ Personal Protection

Engineering Controls: General (mechanical) room ventilation is expected to be satisfactory.
Ventilation Requirements: Not required for normal use
Personal Protective Equipment:
Eye Protection: Safety glasses
Skin Protection: **S**uitable gloves.
Respiratory Protection: Not required under normal use
Other Clothing and Equipment: Normal work clothing.

Section 9: Physical and Chemical

Boiling Point: N/A
Vapor Pressure (mm Hg.): N/A
Vapor Density (Air =1): > 1
Solubility in Water: Not soluble
Specific Gravity (H_2O=1): 1.1 – 1.35
Evaporation Rate (Butyl Acetate=1): N/A
Melting Point: >300° F
Appearance and Odor: Woven fabric with a slight soapy (vinyl) odor.

Section 10: Stability and Reactivity

Stability: _x_ Stable ___ Unstable
Conditions to Avoid: Keep away from sparks or flame
Incompatibility (Materials to Avoid): Strong oxidizing agents
Hazardous Polymerization:___ May Occur _x_Will Not Occur

Section 11: Toxicological Information

Toxicological date is not available.

Section 12: Ecological Information

Environmental Data: No data available.

Section 13: Disposal Considerations

Disposal: If this product becomes a waste, it DOES NOT meet the criteria of a hazardous waste as dined under 40 CFR 261, in that it does not exhibit the characteristics of hazardous waste of Subpart C, nor is it listed as a hazardous waste under Subpart D.

As a non-hazardous waste, it should be disposed of in accordance with local, state, and federal regulations

Section 14: Transport information

DOT Classification: Non-hazardous

Section 15: Regulatory Information

TSCA (Toxic Substance Control Act)
Components of this product are listed on the TSCA inventory.
CERCLA (Comprehensive Response Compensation, and Liability Act)
NOT reportable.
SARA TITLE III (Superfund Amendments and Reauthorization Act)
313/312 Hazard categories:
None
313 Reportable Ingredients:
None

The information and recommendations contained in this publication have been compiled from sources believed to be reliable and to represent the best current opinion on the subject at the time of publication. Since we cannot anticipate or control the many different conditions under which this information or our products may be used, we make no guarantee that the recommendations will be adequate for all individuals or situations. Each user of the product described herein should determine the suitability of the described product for his particular purpose and should comply with all federal and state rules and regulations concerning the described products.
