Cratus™ 6000IC (Hard Body Armor Model) Product Data Sheet

TenCate Advanced Armor engineers and manufactures a complete line of hard body armor products that meet or exceeds U.S. Military and National Institute of Justice (NIJ) performance standards. The TenCate Cratus™ brand originated from Greek mythology, personifying strength, might, power and sovereign rule. Our advantage lies in our ability to design products that provide protection against a wide array of threats with the need for reduced weight at the greatest value.
