TenCate supplies flame resistant fabrics for Canadian Air Force

TenCate Protective Fabrics is providing flame resistant (FR) fabric for two successful tenders in the Canadian military market.

The first tender concerns the Advance Combat Ensemble (ACE) used by the Canadian Air Force. This military ensemble will be made with Nomex® FR fabric in the TenCate Brigade® portfolio. The second tender involves TenCate Campshield™ FR liner fabric for use in tents by all Canadian Defence Forces. This FR fabric is also Nomex® based.

Financial details will not be provided.
